# The 33rd ANNUAL REPORT

OF THE

## Falmouth & District Hospital.

---

DURING the past twelve months there were 223 in-patients as compared with 235 in 1925. Of the in-patients 184 were cured, 22 relieved and 17 died (4 operation cases) and 13 hopeless.

There were 292 operations, 199 casualties, 9 accidents, and 598 out-patients and dressings, 132 X Ray patients, and 67 Massage, making a total of 1,148 persons treated.

The in-patients came from the following places :—  
Falmouth, 178 ; Penryn, 18 ; Budock, 4 ; Flushing, 4 ; Mylor, 9 ; Mawnan, 1 ; Mabe, 3 ; Ponsanooth, 1 ; Constantine, 1 ; Helford, 1 ; Newquay, 2 ; Penzance, 2 ; Nottingham, 1 ; South Woodford, 1.

The year's working of the Hospital has been very successful, owing to a very efficient staff.

A gift of £50 was again received from an anonymous donor, and the Committee express their most grateful thanks for the same, also a donation from Mrs. Krabbé for £10.

The Nurses' Quarters have been a source of trouble owing to the wet driving in over the windows. These have been re-done, and the outside coated with a special preparation which, it is hoped, will be successful.

A most useful gift of linen was received from the Cornwall Needlework Guild, for which the committee are most grateful, also to the St. Michael's Guild (through the Misses Alleyne) for undertaking the mending of the linen.

Capt. Burch has been added to the committee, and is a most useful member, kindly doing the Secretary's work in the absence of the Assistant Secretary through illness.

The Contributory Scheme is growing, several new firms having joined, but what is wanted is more response from private subscriptions. The amount subscribed not being in proportion to a town of the size of Falmouth.

Thanks are due to Mrs. Lanyon for managing the Linen Guild, 125 articles having been received, and £31 4s. 10d. in cash, which has been spent on household requisites.

The thanks of the Committee are due to Mrs. J. J. Jane and the Women's Institute for the very excellent entertainment they gave for the Linen Guild, which resulted in a profit of £7 1s. 6d.

Mr. Bray and Mr. Williams have kindly collected the monies from the boxes and given out new slips for the same.

The library and the wireless are a great boon to the patients. Thanks are due to Miss Whiteman and her staff, as there has been a great deal of work done in the hospital, there having been fifty more operations than last year.

£5 was received from Mrs. Mountstephens, of Johannesburg, toward the Xmas festivities, and the tea party to the children who had been in the hospital during the last twelve months. The committee desire to thank those ladies and gentlemen who so kindly helped the matron and staff at the children's entertainments.
